Requirements and conditions to apply for the "A" category course:

- filling out an application form (in person at the customer service office)
- at least 23 and ½ years of age (20 years of age if you have had an A1 or A2 driving license for more than 2 years)
- proof of completion of 8 primary school grades or a Certificate of school visits (from Study Division) in Hungarian (Hallgatói jogviszony-igazolás)
- Certificate of medical aptitude
- Passport or Identity Card
- Residence Permit
- Hungarian Address Card
- payment of at least the current theoretical fee
- conclusion of a study contract with the driving school

It is also extremely important that when choosing an online theoretical course, the applicant provides their data accurately and completely when registering on the e-Titán platform, which provides the course. If the personal data provided does not match the data in their identification documents, the competent authorities may refuse to allow them to take official exams or issue a driving license.

Subjects and hours of the "B" category driver training:

Theoretical training:

- traffic knowledge: 18 hours,
- driving theory: 8 hours,
- structural and operational knowledge: 2 hours.

Subjects and hours of the “A” category driver training:

Theoretical training -Classroom education:

- traffic knowledge: 14 hours, driving theory: 4 hours, structural and operational knowledge: 4 hours.

1 lesson corresponds to 45 minutes, a maximum of 4 lessons can be held at a time.

Attendance at these classes is mandatory, in case of absence, the course material of the given class must be made up, which is possible at a time agreed upon with the training organization or at another course with the same course material held by the training organization. The fee for the made-up class is HUF 1,000/class.

E-learning online course:

The online theoretical course is provided by our contracted partner E-Educatio Zrt. in cooperation with our driving school. The online system (e-Titan) works exclusively with internet access. The duration of the e-learning theoretical training can be flexibly adjusted according to the student's needs within the 75 hours / 180 days availability time frame, minimum learning time: 5 hours. After registering with the driving school, the student will receive a registration and access key (code) to the provided e-mail address. This will allow him/her to enter the system within 90 days. If he does not enter the e-Titan system within 90 days, the entire registration will be deleted, and will only be able to start the theoretical course by ordering a new course, by paying the course fee again. The access and available time can be extended after expiration with a time limit of 10 hours / 30 days, for a fee. The system confirms the successful completion of the course with an e-learning certificate and sends it to the driving school. Only with this certificate can the driving school request an exam date for the student.

Practical training:

Category “B”:

- basic training: vehicle handling: minimum 9 hours, and

- advanced training: driving in traffic (min. 14 hours), on country roads (min. 4 hours), at night (min. 2 hours): minimum 20 hours,

- A total of at least 29 hours (and the exam hour) and driving at least 580 km.

1 lesson corresponds to 50 minutes.

In basic training, a maximum of 2 hours can be held per session.

In advanced training, a maximum of 4 hours can be held per session, with a minimum 1 hour break after 2 lessons of driving.

The duration of the driving test (60 minutes) corresponds to 1 lesson.

Based on national and regional statistics, the average number of practical hours required to successfully pass the driving exam is nearly 50 hours (it is recommended to calculate with this number of hours before enrolling in school).

Category “A”:

The practical training and examination of the category “A” motorcycle is organized by our contractual partner, Telezöld Driving and Motorcycle School. You can find the conditions in the “Contractor Conditions” issued by them.

Contact details of Telezöld Driving and Motorcycle School:

- School manager: Árpád Tarr

- Address: 7300 Komló, Gárdonyi utca 9.

- Telephone number: +36-70/866-1256

- E-mail address: telezoldautosiskola@freemail.hu

Conditions for taking the exam:**Theoretical exam conditions:**

You must apply for the theoretical exam within 9 months of the first lesson of the theoretical course and pass the exam within 1 year. If this is not fulfilled, it is only possible to apply for the theoretical exam after completing a new course.

- attending all lessons of the theoretical course, or in case of delay or absence, making up lessons, or completing the online curriculum,

- fulfilled the health and traffic safety requirements with a Certificate of medical aptitude,

- being able to read and write,

- proof of completion of 8 primary school grades or a Certificate of school visits (from Study Division) in Hungarian (Hallgatói jogviszony-igazolás),

- valid Passport or Identity Card,

- Residence Permit,

- Hungarian Address Card,

- in case of category "B": 16 and $\frac{3}{4}$ years of age,

- in case of category "A": 23 and $\frac{3}{4}$ years of age (20 years of age if you have an Ak or A2 driving license for more than 2 years),

- payment of at least the current theoretical fee,

- payment of the examination fee set by the KAV at the time, which is (from 17.07.2026) HUF 5,100.

The registration for the first theoretical exam is carried out by the school, which takes a minimum of 5 days for a computer-based exam and a minimum of 15 days for an oral exam (with an interpreter). If the student is absent from the exam or misses the scheduled time, the exam fee will be forfeited. If the student arrives after the exam information has been given, the student may not begin the exam. The student has the right to cancel the exam in person or in writing 5 days before the exam date. In the case of an oral exam, cancellation must be made 15 days in advance due to the assigned interpreter and administration. In this case, the payment will be available for use when the next exam is due.

Practical exam:

Category "B" Traffic exam conditions:

- completion of the minimum 9 hours of basic education, and
- driving the minimum 580 km or the minimum mandatory number of hours (20 hours) required by law in road traffic, which is divided into urban (14), rural (4 extra-urban), and night driving (2).
- If the student does not drive at least 580 km during the driving lessons, regardless of having already driven the minimum number of 29 hours, he/she cannot take the traffic exam, the examiner may refuse to start the exam.
- Payment of the prescribed exam fee, which (from 2026.07.17) is 12,200,- HUF
- The traffic exam corresponds to 1 hour, therefore we can speak of a minimum number of 30 practical hours. (If you have 580 km driven.)

The instructor can request a practical exam appointment, which takes a minimum of 5 days, which can be longer depending on the number of examinees in the county. The instructor can request an exam appointment based on professional judgment, and if he/she deems that the student does not have sufficient skills to meet the exam requirements (technical handling, regular traffic, safe driving, etc.), he/she can refuse the appointment. If the student does not agree with the instructor, he/she can request a certificate required to change driving schools free of charge. The student is required to appear for the exam exactly at the scheduled time, in case of delay, the exam will be canceled, and the exam fee will be forfeited. The examiner may be 10 minutes late for the exam, and the student may request a postponement of his/her exam if he/she is late for longer than this. The student has the right to cancel the exam 8 days or more before the exam date, in person or in writing.

During the practical driving training, an extraordinary and specialist inspection may be carried out, including by stopping in traffic. In addition to the examiner, the traffic test event may be observed by the examiner, the candidate examiner who is observing the examiner, and the specialist inspector who is assessing the examiner's work. The consent of the student and instructor is not required for this.

Category "A":

See: Telezöld Car and Motorcycle School Business Terms and Conditions.

Legal consequences of the lack of conditions for admission to the exam:

The head of the school shall inform the student in writing of the lack of conditions for admission to the exam. If the student eliminates the reason for the lack of conditions for admission to the exam, he or she has the opportunity to participate in the exam, otherwise his or her participation in the exam is not possible, as a result of which the adult education contract is terminated and a final settlement is made between the School and the student.

Validity of the exams:

- A successful basic traffic knowledge exam is valid for 2 years. If the student does not successfully complete the exams belonging to the given category during this period, his or her theoretical (road traffic) exam becomes invalid. He or she may only take another exam after repeating the course.
- If the student takes 5 unsuccessful traffic exams, the condition for admission to the next exam is the extraordinary career aptitude test (PÁV) prescribed in separate legislation. If you have obtained the qualification of "psychologically fit to drive" in this examination, you can take an unlimited number of traffic tests until you pass the exam, taking into account the time limit. The student will no longer be required to take another extraordinary PÁV test for the road driving test.

Issuance of the exam certificate:

The exam certificate issued for a successful exam is sent by the Examination Center in digital form (on-line) to the competent traffic administrative authority within 1 day after the exam is completed. The exam certificate is issued for free of charge. The condition for issuing the exam certificate is a successful traffic test.

Credible proof of completion of the 8th grade of primary school:

- with a doctoral title registered in Hungary in the personal identification documents, obtained in its own right,
- with the original or a copy of the document certifying the educational qualification certified by a notary or the issuer, in the case of foreign certificates and diplomas, with the original document and its certified translation (a certified translation is not

mandatory if the certificate or diploma is included in its content and form in the “Certificate and Diploma Sample Library” established by the transport authority), and

- with a recognition decision, naturalization clause, official certificate, information or a student status certificate issued by a higher education institution in Hungary no older than three months, stating that the given certificate or diploma certifies at least a basic level of education or the existence thereof prerequisite.

First aid knowledge course and exam:

- The first aid knowledge exam is required for the issuance of a driving license. Its acquisition must be proven with a first aid card (certificate) issued by the Hungarian Red Cross.
- Persons with occupations or education specified in the law (Annex 3 of Decree No. 24/2005 (IV.21.) of the Ministry of Health and Social Affairs) may be exempted from the exam, i.e. those who have a medical, dental, or pharmaceutical degree from a medical university, or a veterinary degree from a veterinary university; nurse; dietician; ambulance officer; physiotherapist; health professional instructor; has a diploma (qualification) in nursing, or has graduated from a college of public health inspector or a secondary school of equivalent qualification.
- The examination is organized and conducted by the county branch of the Hungarian Red Cross (7629 Pécs, Dobó István utca 89.) The examination fee is: 20,900,- HUF.

Vehicle use:

In the case of category “B”:

The student is entitled to use the training vehicle for training purposes during practical training, upon payment of the practical hourly fee specified in the contract. The student is obliged to use the training vehicle for its intended purpose and in full compliance with the instructor’s instructions. In the event of intentional damage, the student or his/her legal representative is liable for the damage caused. Our school permanently provides an OPEL Crossland X diesel type manual transmission passenger car and a TOYOTA Corolla Hybrid automatic transmission passenger car for training purposes. Depending on the number of students enrolled and the needs of the students, we can provide additional training cars. Students with disabilities have the legal opportunity to be trained and tested in their own vehicle, if the modifications required by law have been made to it and the car has successfully passed the instructor’s technical examination.

In the case of category “A”:

According to the conditions issued by our contractual partner (Telezöld Car and Motorcycle School).

Tuition payment method:

The student can pay the tuition in one sum, or there is also the option of paying in installments, in cash. Tuition can be paid at the driving school's customer service. In the case of installment payment, the first installment is due at the time of application, which is the amount of the current theoretical tuition fee. Payment of further installments is made in a manner agreed with the school principal. The condition for admission to any type of exam is payment of the tuition fee due by the exam.

Our current “B” category tuition fee is:

- Theoretical training (e-learning): 59,000,- HUF
- Practical training: 360,000,- HUF without discount, minimum number of hours and manual transmission car
- (manual: 12,000,- HUF/hour, automatic: +1,000,- HUF/hour)
- Total: min. 419,000,- HUF (theoretical and 30 hours of practical training)
- Additional hours: manual: 12,000,- HUF/hour, automatic: +1,000,- HUF/hour

Other costs:

Exam fees, which must be paid to KAV:

- Category “A” and “B” theoretical exam: 5,100,- HUF / session
- Category “B” driving test: 12,200,- HUF / session
- First aid exam, which must be paid in cash at the exam location to the Hungarian Red Cross: 20,900,- HUF / session

Conditions for exemption from attending and taking the exam in individual subjects:

Exemption from the theoretical exam and course in the case of category “B”:

- extension of a driving license limited to driving a car equipped with an automatic transmission to one operated with a conventional transmission,
- a disabled person who wishes to validate his or her valid driving license entitling him or her to drive a specific vehicle to drive another vehicle of the same category,
- if the student for whom, based on a separate law, the court makes the re-practice of driving dependent on the proof of the necessary skills for driving.

Exemption from the theoretical exam and training course in the case of category “A”:

- holds a driving license of category “A limited” or subcategory “A2” or “A1” obtained no more than two years ago and has successfully passed the theoretical exam for category “A limited” or subcategory “A1” or “A2” within two years;

How to transfer a student and issue a certificate of completed education:

In the event of a student’s intention to change driving schools at their initiative, our training organization will issue a training certificate within 3 days. This will record the number, date, and results of the lessons and exams the student has already completed.

If the student was entitled to the service at a discounted price, they will be required to repay the discount, and the certificate will be issued free of charge.

In the case of category “A”, if the student does not wish to continue their education with our contractual partner, there is no cost for issuing a transfer certificate. If the student was entitled to the service at a discounted price, they will also be required to repay the discount.

How to issue a driving license and conditions:

The document office is competent for issuing a driving license.

Conditions for issuing a driving license:

- Hungarian citizen or a citizen of an EEA member state with a residence permit in Hungary for at least 6 months
- exam certificate (on-line)
- medical fitness certificate and/or existing driving license

- proof of successful completion of the first aid knowledge exam (Hungarian Red Cross certificate) or presentation of a document proving exemption
- fee for issuing a driving license, if it is not a first driving license or the applicant is older than 24 years
- photo taken on site.

Until receiving the driving license, it is possible to drive with the photo data sheet received at the document office! The first driving license received is considered a beginner driving license for 2 years. In the event of a violation or crime, the authority may restart the initial “restriction” of the driving license, which is valid for another 2 years. It is prohibited to tow with a beginner driving license! Abroad, only persons over 18 years of age are allowed to drive a motor vehicle.

Vehicles that can be driven with a “B” category driving license: passenger car (max. 1+8 people), truck (max. 3500 kg total weight), moped (max. 50 cm³), moped car, garden tractor, animal-drawn vehicle, slow vehicle with trailer, agricultural tractor with light trailer.

Category “A” can be driven: any motorcycle

The rights and obligations of the examinee:

- o The student is obliged to comply with the requirements, laws, and instructions of the training organization described so far.
- o He is liable for the consequences arising from the concealment of any data, facts, or conditions.
- o The training organization is not liable for damages arising from the student's negligence, carelessness, or intentional behavior.
- o The student or his/her legal guardian is obliged to compensate for any damage caused to the material assets of the driving school.
- o The student may cancel the agreed driving lesson 1 day before the scheduled time. If he does not do this and does not show up for the lesson, or only indicates his absence on the day of the lesson, he must pay the driving lesson fee.
- o If the student is late for the lesson and its duration is longer than 10 minutes, he/she must notify the instructor; if he/she does not do so, the given lesson will be canceled and he/she must pay for it.

The rights of the training organization:

- o to collect tuition,
- o to determine the training schedule and cancel or change it in a timely manner (at least 24 hours in advance),
- o to modify the fee for practical training if the training costs change significantly due to circumstances beyond the control of the training organization.

The obligations of the training organization:

- o to inform the client about the terms and conditions of the business before the start of the training,
- o to comply with the terms and conditions of the business,
- o to coordinate the dates of the practical sessions with the clients,
- o to provide a civilized environment and conditions for the training,
- o to investigate any complaint made verbally or in writing by the student,
- o to interrupt the training and issue the certificates to the student upon written request,
- o to comply with the provisions of the legislation applicable to the training and the certificate album.

The conditions for admission and examination of students of foreign nationality, supplemented by a residence permit, are the same as those of Hungarian citizens. However, if necessary for their examination (if they wish to take the examination in Hungarian, German, English or Romanian, not using the computer program provided by the authority), the Examination Center will assign an interpreter. The interpreter's fee must be paid by the student.

The training organization undertakes to carry out the student's training in accordance with the provisions of the law and to handle and remedy any comments and complaints of the students in the expected manner. The student may file a complaint with the supervisory body. In the event of other legal disputes, the provisions of the PTK shall prevail in addition to the relevant laws.
